

Your Pet Disaster Kit should include:

- Pet food and treats
- Drinkable water in plastic bottles
- Can opener for canned food
- Pet medications and medical records in waterproof container
- Sturdy leashes, harnesses and/or carries so you can move your pets safely and they can't escape (remember they may be scared and may act different than usual)
- Current photos of your pet in case they get lost
- The name and phone number of your veterinarian
- Pet First-Aid kit...available at your American Red Cross
- Pet beds and toys, if there is room.

ALL OF YOUR PETS SHOULD HAVE AN IDENTIFICATION TAG AND COLLAR, TOO.
